CARGO & LOGISTIC SERVICES

This is “KRM 3PL India Pvt Ltd” a leading “Door to Door” Cargo company of India.

KRM 3PL India Pvt Ltd was established in September 2017, Mr. Mithilesh Chand Pandey the Managing Director of the company had rich experience in the field of Express Cargo and Logistics Management.

It was observed by him that in India a lot of light weight consignments were moving with Air/Rail/Express services. He started supporting and building specific clientele who were paying much higher for smaller consignments and were still deprived of air services.

We would like to introduce ourselves, as one solution company for all your logistics needs. We at KRM 3PL India Pvt Ltd fully understand the need for Express Distribution and we offer cargo service throughout the Pan India by Rail, Air and Express connection. Whilst maintaining the core competence of express distribution on a Door to Door basis, KRM 3PL India Pvt. services has extended the scope of activities to also cover warehousing, Packaging arrangements, Risk Coverage and Messenger Bound Dispatch etc.

We therefore, offer you a wide range of integrated services to cater all your logistics requirements.

Our existence in the industry shows our reliability, quick service and responsibility that we take for our valued customers. So you just need to call us, we put our best effort to reach your cargo safe and on-time to the destination, because we always assume “SAFE & SURE”. We shall be quite unbeatable in terms of dedicated service and competitive rates. We use all our expertise to make the finest blend of deal and service for you.

This was just the beginning when companies were on lookout for third party logistic solutions. Companies wanted a single vendor for all their transportation, courier and logistic needs. Looking into the boom in various sectors, Mr. Mithlesh Chand Pandey focused mainly on Promotional Goods, Advertising Industry Pharmaceutical, Herbal product, Telecom Product, Readymade Garment, Retail & Electronics, With such background, the rail division was started to connect from Delhi to all state capital and major cities in India. The first office was started in Delhi, with target

Getting the consignments from Delhi within 48- 72 hours which was lower than transit by air. Once this was achieved, the clientele gained confidence in KRM 3PL India Pvt Ltd and approached for the other sectors also. With the gain in confidence and clientele demand, KRM 3PL grew its network to more location like that rest of India.

We introduce ourselves as one of the leading Logistics Solution Provider by Rail/ Air. We had tie up with leaseholder and taken fix space in VPH/SLR/ for major cities whereas it takes hardly 24-72 hrs, by Railway. Which is even lesser than air transit time at surface rate and we have self network in by air mode. We have the system where we depute one of our well trained representatives along with the consignment, to monitor the movement of goods and ensure the safety of the material.

We assuring you of our best services at all times and looking forward for opportunity to serve you on long terms mutual relationship with you.
